●Conditions for cancellation / return / exchange

•We will pay the shipping cost if the shipped product is different from order or if it is damaged during delivery. Please return it by cash on delivery.

•Cancellation of order is possible until you receive the shipping completion email.

(1)

If you contact us within 3 days after the arrival of the product, we will respond to cancellations and returns due to customer convenience. However, you will be responsible for shipping and Processing fees. Sake that needs refrigeration cannot be returned because the storage status cannot be confirmed (With exception of mistaken or damaged product that is the fault of Meishu no Yutaka or shipping company).

(2)

If there is an obvious defect in the product or the product is incorrect, the shipping cost for returned goods will be borne by our shop. In the case of return or exchange at your convenience, such as when you do not like the product, you will be responsible for the shipping and processing fees.

(3)

Regardless of the preceding paragraph, the following items cannot be canceled, returned or exchanged.

- Opened and used products
- Products that have been placed for more than 8 days
- Items that have been damaged or stained by the customer
- Products without packages (bags / cases)
- Other products that are labeled as non returnable on product page.

Due to the nature of Internet Shopping and the customers ability to carefully consider all purchases before making them, the "Cooling Off" period specified by Japanese Commerce law does not apply.
